

PASSOVER 2021

LEARN

Eco Roots of Passover

With eco-theologian Rabbi Ellen Bernstein

Sunday, March 14

7:00-8:00 pm

All our biblical holidays originally commemorated the agrarian and pastoral soil out of which Judaism grew. Our well-being and freedom ultimately depend on the Earth's well-being. This class will explore the ecological underpinnings of the Passover seder and dig into Rabbi Bernstein's innovative haggadah, *The Promise of the Land*. All Temple Israel households will receive a copy of this haggadah prior to the webinar courtesy of the Cultural Endowment and Annual Funds.
