

Early Learning Center

Tammy Roberge
Director, ELC

Shalom,

As I was reviewing October and November pictures for this column, I couldn't believe how much we have done, and I smiled at all the happy faces reflected back at me.

First, we welcomed back the Grand Pals Program at the Wentworth Home! I want to give a great big "thank you" to Jennifer Cameron, who keeps the ELC students and Wentworth Home residents smiling, laughing, and engaged through an hour-long program each visit.

We took a field trip to Strawberry Banke to see the autumnal foliage, play in the fallen leaves, and run around in the warm weather. It was so pleasant the other day that we had a picnic outside.

The ELC is blessed to have Laura Sher working with us again this school year. She helped the students

Photos, clockwise from top right: students enjoy a picnic, all things pumpkin, and bubbles with their "Grand Pals" at the Wentworth Home.

bake challah to take home and share with their families and the

temple staff. We also investigated pumpkins and squash, cut them up, cooked them down, and created pumpkin bread, all with Miss Laura's wonderful recipes.

We wish everyone a Happy Hanukkah!

Shalom,

Tammy Roberge and the ELC Team
