

Early Learning Center

Tammy Roberge
Director, ELC

Shalom,

The month of May has been a month of “lasts.” The last time the Sonatina Center will join us for music for this school year. The last trip to Grand Pals for our time with the Wentworth Home Senior Residents.

The last time we fed our composting worms inside, as we set them free in our garden beds.

Even though it was the last of some of our fun, it was also the first of picnics in the courtyard in the nicer weather. The first signs of spring with flowers. The first time we “camped” in the classroom and pretended to toast

marshmallows over the campfire rug for Lag Ba-omer.

It was our first Children’s Day in downtown Portsmouth in two years and even though the wind was quite chilly, we made many beautiful clothespin butterflies with children who visited our booth.

First or last, it is always fun to be with our friends! Graduation is on Friday, June 3, 2022. We have six students moving up to kindergarten and our class is full for the 2022 – 2023 school year. We have also started a waitlist for the 2023 -2024 school year, for children too young to attend just yet.

Tammy and the ELC team (Elia, Laura, Steve, and Amy)
