

Early Learning Center

Shalom,

In November the students of the ELC started learning about Hanukkah. We answered questions like: Why does Hanukkah last for eight nights? What was the miracle? Who were the Maccabees? What is a menorah? Why do we eat foods fried in oil? We also learned to play dreidel!

In December the ELC celebrated Hanukkah with a family gathering where we served latkes and *sufganiyot*. Laura Sher made the dough and then fried the yummy donuts with us. The children shook the powdered sugar over the top to finish our holiday treats.

Our students presented their living menorah during the family celebration. The tallest student served as the shamash to light the other “candles.”

Rabba Kaya led us in a dance to a Hanukkah song.

While January’s stormy weather has caused some canceled school days, we have also enjoyed playing together in the snow!
